

MARIYUM ALAVI

mariyumalavi02@gmail.com | +923182869672 | Karachi, Pakistan.

Objective:

My self Mariyum Alavi, graduate from Iqra University with a degree in Computer Science , specializing in Database and software. I am passionate about creating intuitive, responsive, and visually engaging websites. Through academic projects and my current experience as a Front End Developer at TAFSOL Technologies, I have developed strong skills in HTML, CSS, Bootstrap, and modern front-end frameworks. I am eager to apply my technical skills and creativity in a dynamic environment where I can continue to grow as a web developer and contribute to impactful projects.

Experience:

Currently working As a Front End Developer at TAFSOL Technologies, I am responsible for building and enhancing the user interface of web applications.
